**The Amazing Race**

The Summer of 2010 looks to host a fun training camp for athletes, coaches and families participating or wanting to participate in Special Olympics sports training and competition programs.

Teams will compete in individual skills competitions during the day and the team with the most points will win at the end of the camp.

This year's camp is an abbreviated schedule due to National Games competition. We will register July 8 and return home July 10, 2010.
