

Be Hip, Take the Dip

We are calling on YOU;
Coaches, Administrators, and teachers!
Step up and show your students
you #ChoosetoInclude

- ❖ Put out a challenge: If your school raises \$1000 (or you choose the amount) you will let Student Council, or the highest fundraiser spray you with a water hose on campus!
- ❖ Get creative! Engage in the experience on campus with your safety measures in place!
- ❖ Share your video, send your schools participation to local media!
- ❖ Your school could win the Statewide COOL School Challenge award!

Most importantly get involved to provide the joy of sport, opportunity for health, and contribute to inclusion for people with intellectual disabilities statewide!
