

Additional Details about Schools:

With regards to activities in schools, Programs should follow the school's protocols and guidance in terms of when and how activities may resume. If school activities transition into Special Olympics community activities (e.g., the final competition/tournament is hosted by Special Olympics), then proper return to play protocol and necessary precautions for Special Olympics events, as outlined in this document, must be followed.

If the school or community partner's guidelines are less stringent or in conflict with the guidelines of Special Olympics, the following guidance applies:

1. The school/partner leaders/authorities should be informed of the Special Olympics guidelines for determining return to play.
2. The possibility of high-risk conditions in populations within the movement is conveyed to leaders/authorities.
3. Parents, guardians, or other caregivers of youth participants are provided with education on Special Olympics guidelines and relevant acknowledgements.
